A7 Removal of 5th Oversight Committee member to ensure regional balance on the Oversight Committee

Organization:	GYG Oversight Committee
Resolution date:	05/02/2023
Agenda item:	2 Amendments to the Organisational Principles

Motion text

delete line 207 -"one Chairperson" & partially delete line 282 - "All delegates will vote for the OC Chair."

Reason

Removal of the OC Chairperson will ensure regional balance on the GYG Oversight Committee.

Regarding the role of the OC Chair, OC members can decide amongst themselves who Chairs the Committee (this is already the case for the GYG Steering Committee).
